<i>Late Booking Surcharge</i>	<i>Per Container</i>	<i>\$15.00</i>

2.1.3 Tier Level Assessment and Adjustment

Tier level assessment and adjustment for all routes will be based on Container volumes booked annually on each individual route by the specific individual User that requests and pays for the Barge Transport Services. DPWL will review specific User volumes performed, and paid for, on each individual route at the end of each quarter and annualize the quarterly volume to assign that User's Tier level for the next quarter. Adjustments to User Tier levels will be effective on the first day of the following month from the review of volumes. Unless otherwise agreed by DPWL, all Users will start in Tier 1 on new routes (being between DPWFS and either Centerm or Duke Point as introduced on April 1, 2021) until one quarter volume history is developed for those new routes. After the conclusion of the first quarter of the new routes on June 30, 2021, User volume transported, and paid for, will be reviewed and adjustments to User Tier levels will, subject to DPWL's discretion as referenced below, be effective on the first day of the following month, July 1, 2021.

For assessment and adjustment purposes, only one User may be credited with the transport of a Container.

The assessment and adjustment of a User's Tier level is at the sole discretion of DPWL. By requesting and obtaining Barge Transport Services the User agrees to abandon, waive and release DPWL from any arbitrations, suits or claims they may have regarding their Tier level assessment or adjustment, including any refusal to make any such adjustment. Without limiting the generality of the foregoing, DPWL may refuse to adjust a User's Tier level by reason of any of the following:

- i) A User has outstanding fees, rates, charges or payments of any kind due to DPWL whether disputed or not by the User;
- ii) Any late payment of fees, rates, charges or payments of any kind due to DPWL by a User, even if subsequently paid;
- iii) Non-compliance by a User with any provision of this Tariff, as determined by DPWL; or
- iv) Such other grounds as may be determined from time to time by DPWL whether or not advance notice of such grounds is provided to any User.

2.2. Change in Rates

The rates set forth in Section 2.1.1 are subject to change without specific notice.

2.3 DPWL Waybill

Any Cargo Owner using the Barge Transport Services agrees that each Shipment shall be evidenced by a DPWL Waybill whether or not such DPWL Waybill is actually issued in respect of any Cargo. The DPWL Waybill may be signed by DPWL or its agents or employees. The Cargo Owner is responsible to provide to DPWL before transport a written description of the Cargo for inclusion in the DPWL Waybill, which description will include the number of Containers, the weight and identifying marks of the Cargo, the destination for the Cargo, and any other necessary information requested by DPWL. All DPWL Waybills shall include the statements: "THE HAGUE-VISBY RULES DO NOT APPLY TO THIS WAYBILL" and "ALL CARGO CARRIED ON DECK AT THE SOLE RISK OF THE SHIPPER IN ACCORDANCE WITH CLAUSE 9 ON THE REVERSE." Clause 9 on the reverse of the DPWL Waybill contains terms excluding liability on the part of DPWC and others.

The Cargo Owner further agrees that all Containers and Cargo transported under this Part 2 are carried on deck and are not "goods" as defined by the provisions of the Hague-Visby Rules (Schedule 3 of the *Marine Liability Act*, S.C. 2001, c. 6, as amended). Containers and Cargo carried on deck are carried at the sole risk of the Cargo Owner. In no event shall DPWL, the Barge, or any operator, owner or charterer of the Barge be liable for any loss or damage in respect of Containers and/or Cargo carried on deck howsoever caused, and without limiting the generality of the foregoing, even if such loss or damage results from unseaworthiness of the Barge or any equipment used to transport the Container and/or Cargo, or from the negligence, error, act or omission of DPWL or of the servants or agents of DPWL, or any operator, owner or charterer of the Barge, including all persons described in paragraph 2.9 herein.

2.4 Approval and Inspection

The Cargo Owner is responsible, following transport of a Container or Cargo by way of the Barge Transport Service, to take delivery of the Container or Cargo at the Terminal or berth designated by DPWL, or in the case of export Shipments, to make all necessary arrangements for the subsequent transport of a Container or Cargo, whether by ocean or otherwise.

2.5 Substitute Equipment and Deviation

If the Barge should become disabled, DPWL may, at its sole discretion, secure or furnish the services of a substitute vessel. Alternatively, DPWL may suspend the Barge Transport Services and if doing so shall have no liability for any costs, damages or loss suffered by a Cargo Owner during or arising from said suspension.

It is agreed that DPWL may utilize other carriers as sub-contractors in providing the Barge Transport Services.

The Barge has liberty to call at any port or ports in any order, for any purpose, to sail without pilots, to tow and /or assist vessels in all situations, and also to deviate for the purpose of saving life and/or property.

2.6 Risk of Loss, Limitation of Liability and Time Bar

Risk of loss for all Cargo whether in a Container or not shall always remain with the Cargo Owner during the Barge Transport Service. For greater certainty and without limiting the generality of the foregoing, risk of loss for all Cargo and Containers remains with the Cargo Owner during and upon delivery or presentation of the Cargo at the Terminals, handling at the Terminals, loading of Cargo onto the Barge, during carriage, during unloading of Cargo from the Barge and during handling after discharge as described in Sections 2.1.1 above. No inspection, approval or failure to inspect or approve by DPWL under this Tariff shall alter or affect the risk of loss. The Cargo Owner releases DPWL, the Barge, and any operator, owner or charterer of the Barge, from any and all claims for loss of or damage to Cargo and Containers occurring during the Barge Transport Service, including any claims for deductibles under any policy of insurance, and will indemnify and hold harmless DPWL, the Barge, and any operator, owner or charterer of the Barge for any such claims brought against any of them in respect of such Cargo and Containers.

Notwithstanding the foregoing, in no event shall DPWL, the Barge, or any operator, owner or charterer of the Barge be liable for loss or damage to a Container and any Cargo in an amount exceeding Canadian \$500.00 (five hundred dollars) per Container, whether loaded with Cargo or empty, or in the case of Cargo not stowed within a Container an amount exceeding Canadian \$1.00 (one dollar) per Metric Tonne of Cargo unless the nature and value of such Cargo has been declared by the Cargo Owner in writing before Shipment and inserted in to the DPWL Waybill, and the Cargo Owner has paid any additional handling charges requested by DPWL, which declaration shall not be binding or conclusive on DPWL. DPWL, the Barge, and any operator, owner or charterer of the Barge shall not in any event be responsible for loss or damage if the nature or value of the Cargo has knowingly been mis-stated by the Cargo Owner.

Notwithstanding the foregoing, DPWL, the Barge, and any operator, owner or charterer of the Barge, shall be discharged from all liability in respect of loss or damage unless legal proceedings are brought within one year after delivery of the Cargo or the date when the Cargo should have been delivered.

2.7 Insurance

The Cargo Owner will at its sole cost and expense, continuously maintain insurance in respect of any Cargo to be handled or transported by DPWL to its full value inclusive of freight, against any and all risks that may arise during the provision of the Barge Transport Services, and the Cargo Owner shall ensure that such insurance contains a waiver of subrogation in favour of DPWL, the Barge, and any operator, owner or charterer of the Barge and all those for whom DPWL is legally responsible.

2.8 Indemnity

The Cargo Owner shall indemnify, defend and hold harmless DPWL, the Barge, and any operator, owner or charterer of the Barge against all claims, including without limiting the foregoing, damages, liabilities, causes of action, charges, judgments, and expenses (including fines and reasonable legal fees) for property damage, personal injury, or death, environmental contamination, remediation or natural resources damages to the extent arising out of:

- a) the performance of obligations under this Tariff by the Cargo Owner or any individual or entity acting by, through or under the Cargo Owner; including any subcontractors that the Cargo Owner may from time to time engage for the performance of the obligations contemplated herein;
- b) any breach by the Cargo Owner of the terms and conditions of this Tariff;
- c) any act or omission of the Cargo Owner or of any individual or entity acting by through or under the Cargo Owner; and
- d) any actual or alleged violation or breach by the Cargo Owner, its agents, employees, or subcontractors of any applicable law, including environmental law.

2.9 Beneficiary of Contract (HIMALAYA CLAUSE)

All exceptions, exemptions, defences, immunities, limitations of liability, indemnities, privileges and conditions granted or provided by this Tariff or by any applicable statute, rule or regulation for the benefit of DPWL shall also apply to and be for the benefit of any subcontractors, operators, managers, employees, agents, masters, officers and crew of the Barge, including any operator, owner or charterer of the Barge and to be and be for the benefit of all bodies corporate parent of, subsidiary to, affiliated with or under the same management as it as well as all directors, officers, servants and agents of the same and to and be for the benefit of all parties performing services within the same scope of this Tariff for or on behalf of the parties as servants, agents and subcontractors of such party. DPWL shall be deemed to be acting as agent or trustee of and for the benefit of all such persons, entities and vessels set forth above but only for the limited purpose of contracting for the extension of such benefits to such persons, bodies and vessels.

2.10 Payment of Freight and Non-Payment/Lien Rights

Unless otherwise expressly agreed in writing with DPWL, the fees for the Barge Transport Service shall be paid on transport, and shall be deemed fully earned and non-returnable, the Barge and/or Cargo lost or not lost.

DPWL shall have a lien on the Cargo for freight, deadfreight, demurrage, claims for damages and for all other amounts due or charges under this Tariff, or otherwise, including the costs of recovering same. In addition to the foregoing, DPWL shall have a lien upon any Cargo in its possession belonging to the Cargo Owner in default whether or not any amount is due and owing in relation to that specific Cargo, until all outstanding amounts are paid. DPWL has the right to sell any liened Cargo by public or private auction or sale, or otherwise, without notice and at its sole discretion. DPWL shall not be responsible for any loss or damage of whatsoever nature and howsoever caused, even if caused by an act, omission or the negligence of DPWL in the enforcement by DPWL of such lien or power of sale.

3. INTERNATIONAL TRANSPORT SERVICES

3.1 Scope of International Transport Services

DPWL may by agreement and upon request of a User, provide International Transport Services in respect of Cargo in a Container for freight rate and other charges to be determined by DPWL.

International Transport Services are provided on the terms and conditions of the Non-negotiable Bill of Lading attached hereto as Schedule B (the "DPWL Bill of Lading") and Parts 1 and 4 of this Tariff, except for any portion of the Transport Services that constitute Barge Transport Services in which case that portion of the Transport Services is subject to the provisions of Part 2 above, including the DPWL Waybill.

The terms and conditions of the DPWL Bill of Lading are expressly incorporated into and form part of this Tariff in respect of the International Transport Services. Where the terms and conditions of the DPWL Bill of Lading are in conflict with a specific term in this Tariff in respect of the International Transport Services, the terms and conditions of the DPWL Bill of Lading shall prevail, but only to the extent of such conflict.

4. LIMITATION AND EXCLUSION OF LIABILITY

4.1 Limitation and Exclusion of Liability

For the avoidance of doubt, the terms and conditions of this Part 4 shall apply to all Users that are receiving Transport Services, but Part 4 does not apply to any general Terminal services provided outside the scope of the Transport Services. 4.3 Delay – Exclusion of Liability

DPWL shall not be liable for any costs, expenses, damages or losses caused directly or indirectly by delay in loading, unloading, receiving, delivering or handling of any Cargo or Containers arising from any cause whatsoever, including but not limited to negligence, error, act, omission or willful misconduct of DPWL.

4.4 Mixed Cargo – Limitation of Liability

DPWL will not acknowledge the receipt of or have any responsibility or liability whatsoever for any Cargo that is delivered by the User in such a manner that they are likely to be mixed with Cargo covered by more than one bill of lading or waybill, unless an employee or agent of DPWL is given sufficient time and opportunity to sort, count and inspect the Cargo, and DPWL has been paid by the User to sort, count and inspect the Cargo.

The record of sort, count or damage compiled by DPWL shall in the event of any claims being made against DPWL for loss, damage or expense be deemed to be an accurate record of sort, count or damage of the Cargo upon receipt from the User.

4.5 Damage – Exclusion of Liability

DPWL shall not be liable for any loss or destruction of or damage to Cargo, Containers, chassis or any other property whatsoever unless each and every case:

Notwithstanding any other provisions of this Tariff, DPWL shall not be liable for any economic loss or loss of profit or bargain or for any indirect or consequential damages or loss whatsoever, whether or not caused by or arising from negligence or willful misconduct of DPWL.

4.8 Exclusions, Exemptions and Limitations in Bills of Lading and Passenger Tickets Applicable

DPWL, its officers and employees shall in addition to the rights, immunities, exceptions, exemptions, restrictions and limitation of liability set out herein, be entitled to the same rights, immunities, exceptions, exemptions, restrictions and limitation of liability provisions of all contracts of carriage as are set out in the ocean carrier's favour in any bill of lading, waybill or similar document relating to the Cargo or Containers in question and, in the case of a Vessel carrying passengers, any passenger tickets or contracts between the ocean carrier and such passenger.

4.9 No Right of Deduction or Set-Off

Notwithstanding any liability or alleged liability of DPWL under this Tariff or otherwise, Users and any other persons responsible for charges under this Tariff, shall not be entitled by reason of any such liability or alleged liability to any deduction from, reduction of, set-off against or waiver of any charges payable under this Tariff, all of which shall be paid in full as and when due.

4.10 Exclusions, Exemptions and Limitations are Cumulative

The exclusions, exemptions and limitations of liability set forth herein either expressly or by reference are cumulative and are in addition to and not in substitution for or in limitation of any other clauses excluding, exempting or limiting liability as set forth in this Tariff or any other exclusions, exemptions or limitations of liability upon which DPWL may rely at law or in equity.

4.11 Liability Ceiling Amount

The liability, if any, of DPWL arising out of a single incident or series of incidents arising from a common cause shall not exceed the amount of \$500,000. In the case of loss or damage to Cargo the maximum liability of DPWL is \$250,000.

4.12 Weather Damage

DPWL shall not be responsible for damage to Containers, Cargo, chassis or any other property whatsoever caused by the weather while in outside storage or in transit or at a Terminal.

5. CHARGES GENERALLY

5.1 Charges Generally

Charges under this Tariff generally are:

- a) based on performing the work during Straight Time operations;
- b) in addition to charges prescribed by any other tariff, notice or by law, or that may be owing to DPWL;
- c) due and payable as soon as they are incurred, or upon completion of such service or use. DPWL reserves the right to require payment of charges in advance, as follows:
 - by the Vessel, its owners or agents before Vessel commences its loading or discharging operation;
 - by the Cargo Owner before Cargo leaves the custody of DPWL; or,
 - right is reserved by DPWL to require payment of all charges on perishable Cargo or of doubtful value and household goods; and
- d) payable to DPWL at the address shown on the invoice issued by DPWL.

5.2 Taxes

All amounts payable to DPWL pursuant to this Tariff do not include any value-added, sale, use, consumption, multi-staged, ad valorem, personal property, customs, excise, stamp, transfer, or similar taxes, duties, or charges, (collectively "**Sales Tax**") and all Sales Taxes are the responsibility and for the account of the person(s) by whom the charges pursuant to this Tariff are payable. If DPWL is required by law or by administration thereof to collect any applicable Sales Taxes from a person responsible for payment of charges pursuant to this Tariff, such person shall pay such Sales Taxes to DPWL concurrently with the payment of any charges payable pursuant to this Tariff, unless such person qualifies for an exemption from any such applicable Sales Taxes, in which case such person shall, in lieu of payment of such applicable Sales Taxes to DPWL, deliver to DPWL such certificates, elections, or other documentation required by law or the administration thereof to substantiate and effect the exemption claimed.

Any exemption claimed from Sales Taxes extended by DPWL to any person is without prejudice to the position of DPWL, which is entitled to charge such person by whom the exemption has been claimed with Sales Taxes at any subsequent date should the taxing authorities determine that the goods and services provided pursuant to this Tariff are taxable.

5.3 Payment of Charges

All charges herein, when not paid or absorbed by the ocean carrier, are for the account of the User. On import and export traffic moving in connection with ocean carriers via Centerm or DPWFS, provisions for complete or partial payment or absorption of Terminal charges may be contained in ocean carrier's tariff. Cargo Owners are urged to consult with the ocean carrier tariffs for accurate determination of applicable Terminal charges if any, for the account of Cargo.

Where credit approval is granted by DPWL, the charges prescribed by this Tariff are payable within seven (7) days from the date due and, where any charge is not paid within that time, an additional charge of one and one-half (1.5%) percent of any such charge shall be imposed for each thirty (30) day period or portion thereof during which it remains unpaid, which additional charge is equivalent to eighteen percent (18%) per annum.

5.4 Calculation of Charges

Where a charge, excepting demurrage, imposed in respect of any Cargo is based on either weight or measurement, it shall be calculated on the weight or measurement of the Cargo, whichever is greater.

No invoice shall be issued where the amount of the charges incurred is less than \$2.00 (two dollars).

5.5 Minimum Billing Charge

All invoices issued by DPWL for any service, or combination of services, as provided in this Tariff shall be subject to a minimum billing charge of \$20.00 per invoice.

5.6 Reduction of Charges

No reduction of charges provided in this Tariff shall operate to reduce the amount payable for any service below minimum charge for that service set out in this Tariff.

5.7 Materials Supplied

Charges for any material furnished in connection with any services performed by DPWL shall be based on the actual cost of the material plus fifteen percent.

5.8 Verification of Weights and Measurements/Representation and Additional Indemnity of Cargo Owner

Prior to receiving any Container or Cargo for Transport Services, DPWL has the right, but not the obligation, to determine the suitability of the Container or Cargo for transport. The Cargo Owner will not present to DPWL any Container with toxic chemicals, dangerous or Hazardous Cargo, industrial, municipal, or any other type of waste.

A Container, if containing Cargo, must be properly loaded and sealed by or on behalf of the Cargo Owner. The Cargo Owner must notify DPWL in writing of any special requirements for any Containers so provided.

Shipping weights and measurements shown on shipping or other documents may be subject to checking by DPWL and the actual scale weight or measurement of the Container or Cargo as determined by DPWL will govern rating and billing.

Shipping weights and measurements, including the VGM, shown on shipping or other documents are provided by or on behalf of the Cargo Owner, except to the extent of any VGM service is provided by agreement by DPWL. The Cargo Owner represents and warrants the accuracy of the weights and measurements, including the VGM, so provided and agrees to defend, indemnify and hold harmless DPWL from any loss, damage or injury (including personal injury) caused by any inaccuracy of the weights, measurements or VGM.

The Cargo Owner warrants that any Container or Cargo provided is not dangerous or otherwise likely to cause loss, damage or injury (including personal injury), is safe for handling and transport during the Transport Services and that the Cargo complies with all applicable federal, provincial, and local statutes and regulations, including without limitation all applicable environmental legislation, statutes, laws and regulations, and agrees to defend, indemnify and hold harmless DPWL should the Cargo be unsafe, dangerous or otherwise causes (directly or indirectly) loss, damage or injury (including personal injury) to, *inter alia*, DPWL, the Barge, a Terminal, or any other Vessel or other property, including other Cargo, at any Terminal.

Unless express written notice is provided to DPWL at least 48 hours prior to the arrival of any OOG Container at the Terminal, along with details of the actual dimensions of the OOG Container, the Cargo Owner represents and warrants that the Container is not OOG, and is safe for handling and transport by DPWL and agrees to defend, indemnify and hold harmless DPWL should the Container be OOG or otherwise causes (directly or indirectly) loss, damage or injury (including personal injury) to, *inter alia*, DPWL, the Barge, a Terminal, or any other Vessel or other property, including other Cargo at any Terminal.

5.9 Rates Subject to Change

The rates set out in this Tariff, revisions or supplements thereto, are based upon ordinary traffic and labour conditions. If and when these conditions change because of demands of labour for increased wages, strikes, congestions or other causes not reasonably within the control of DPWL, resulting in an increased cost of service, the rates are subject to change without notice or the charge for the services may be assessed on the basis of man-hour and equipment.

6. CARGO

6.1 Cargo Received or Delivered

Cargo is received for Shipment when the terms of the dock receipt or other document approved or issued by DPWL have been accomplished. Cargo is delivered when the terms of the delivery order or other document approved by DPWL have been accomplished. Cargo received at a Terminal that is waiting for Transport Services is at the sole risk of the Cargo Owner and subject to the Terminal Tariff where the Cargo is located.

In the event of any claim made against DPWL for damage to, loss or destruction of Cargo while waiting for Shipment at a Terminal, DPWL will, notwithstanding the provisions of this Part, have the benefit of any provisions of this Tariff by which the liability of DPWL is excluded or limited.

6.2 Compulsory Removal of Cargo

DPWL may, by written notice to the Cargo Owner, require the removal of their Cargo that is at a Terminal after the expiration of any Free Time. Such removal shall be at the Cargo Owner's expense and the Cargo Owner, upon the receipt of such notice, shall remove the Cargo immediately.

DPWL may, at the risk and expense of the Cargo Owner, remove, store or relocate any Cargo that is left on a Terminal, including any Abandoned Cargo.

Where, in the opinion of DPWL, any Cargo is not packed in such a manner that it will withstand handling while in transit, DPWL may without responsibility for demurrage, loss or damage attaching:

- a) refuse to permit the Cargo to be transported; or,
- b) have the Cargo repacked at the expense of the Cargo Owner.

DPWL may, at the risk and expense of the Cargo Owner, reject or remove from a Terminal any Cargo that, in the opinion of DPWL, is likely to contaminate or endanger other Cargo.

DPWL reserves the right to withhold delivery of Cargo until all accrued Terminal charges and/or advance charges against the Cargo have been paid in full.

6.3 Owner's Risk

Cargo which, because of its inherent nature, is subject to deterioration, shrinkage, oxidization, wastage, decay and glass, liquids, and fragile articles will be accepted only at Cargo Owner's risk for rust, tarnish, discoloration, breakage, leakage, chafing, and similar loss or damage that may occur despite accepted practices for the care of Cargo.

6.4 Force Majeure

DPWL shall not be responsible or be held liable in damages if any obligation DPWL may have to a User cannot be performed, in whole or in part, due to Force Majeure including but not limited to labour disputes, disturbances, riots, civil commotion, war or the consequences of war (declared or undeclared), terrorism or the consequences of terrorism, insurrections, requisitions, or the threat of requisition, priorities or any other action, direction, regulation or order of any competent authority or agency, acts of God, pandemics, perils of the sea and of other waters, dangers of navigation, ice, public enemies, storms, fire, floods, or any other matter or thing beyond the direct control of DPWL.

6.5 Waiver

No failure or delay by DPWL in enforcing any right or exercising any remedy will be deemed a waiver by DPWL of any such right or remedy.

7. DISPUTE RESOLUTION AND GENERAL TIME LIMIT

a) Claim by a User, or Cargo Owner or Vessel Owner

Any dispute or claim arising out of or in connection with this Tariff by a User or Cargo Owner against DPWL shall be referred to arbitration at Vancouver under the arbitration rules of the Vancouver Maritime Arbitrators Association ("VMAA"). For a dispute or claim that does not exceed in value US\$100,000 the arbitration shall proceed, unless agreed otherwise by the parties, before a sole arbitrator in accordance with the VMAA rules. For a dispute or claim that exceeds in value US\$100,000 the arbitration shall proceed, unless agreed otherwise by the parties, before an arbitration tribunal comprised of three arbitrators appointed in accordance with the VMAA rules.

In the event DPWL elects to proceed by arbitration, the decision of the sole arbitrator or the arbitration tribunal shall be final and binding on the parties and may be made, on application, an order or judgment of a court of competent jurisdiction, whether in Canada or elsewhere, for enforcement purposes.

7.3 Governing Law and Attornment

This Tariff shall be governed by and construed in accordance with the laws of British Columbia and the federal laws of Canada applicable in British Columbia, without regard to the conflict of law rules of British Columbia that would apply a different body of law.

If, for any reason, either clause 7.1 (a) or (b) is deemed legally inapplicable to a dispute in connection with this Tariff, then any such dispute shall be brought in either the British Columbia Supreme Court (Vancouver Registry) or the Federal Court (Vancouver Registry) and the User or Cargo Owner irrevocably submits to and accepts generally and unconditionally the exclusive jurisdiction of said courts.

3. WARRANTY

The Merchant warrants that in agreeing to the terms hereof he is the agent of and has the authority of the person owning or entitled to the possession of the Goods or any person who has a present or future interest in the Goods.

4. NEGOTIABILITY AND TITLE TO THE GOODS

(1) This Bill of Lading shall be non-negotiable.

(2) This Bill of Lading shall only be prima facie evidence of the taking in charge by the Carrier of the Goods as herein described, but not if the Goods are stowed in a Container, in which case this Bill of Lading shall only be prima facie evidence of receipt by the Carrier of the said Container.

5. ISSUANCE OF THIS BILL OF LADING

By issuance of this Bill of Lading the Carrier assumes liability subject to these Conditions and

(1) For Port to Port or Combined Transport, undertakes to perform and/or in his own name to procure the performance of the entire transport, from the place at which the Goods are taken in charge to the place designated for delivery in this Bill of Lading.

(2) When issued on a Combined Transport basis, the Carrier shall, subject to Clause 26 below, be responsible for the acts and omissions of any person of whose services he makes use for the performance of the Contract evidenced by this Bill of Lading.

(3) When issued on a Port to Port basis, the responsibility of the Carrier is limited to that part of the carriage from and during loading onto the vessel up to and during discharge from the vessel and the Carrier shall not be liable for any loss or damage whatsoever in respect of the Goods or for any other matter arising during any other part of the carriage even though charges for the whole carriage have been charged by the Carrier. The Merchant authorizes the Carrier as agent to enter into contracts on behalf of the Merchant with others for transport, storage, handling or any other services in respect of the Goods prior to loading and subsequent to discharge of the Goods from the vessel without responsibility for any act or omission whatsoever on the part of the Carrier or others and the Carrier may as such agent enter into contract with others on any terms whatsoever including terms less favourable than the terms in this Bill of Lading.

6. DANGEROUS GOODS INDEMNITY

(1) The Merchant shall comply with the rules which are mandatory according to any applicable national law or by reason of International Convention, relating to the carriage of Goods of a dangerous, hazardous or noxious nature, and shall in any case inform the Carrier in writing of the exact nature of the Goods including their specific danger, before Goods of a dangerous hazardous or noxious nature are placed in the charge of the Carrier, and indicate to the Carrier in writing the precautions to be taken.

(2) If the Merchant fails to provide information to the Carrier regarding the dangerous, hazardous or noxious nature of the Goods and the precautions to be taken, the Goods may at any place be unloaded, destroyed or rendered harmless, as circumstances may require, without compensation to the Merchant, and the Merchant shall be liable to the Carrier, its servants, sub-contractors and agents for all loss, damage, delay or expenses in connection with handling of said Goods or caused by said Goods.

(3) If any Goods shipped with the knowledge of the Carrier as to their dangerous, hazardous or noxious nature shall become a danger to any vessel, vehicle, other cargo, or any terminal or cargo handling facility, the Goods may in like manner be unloaded or landed at any place or destroyed or rendered innocuous by the Carrier, without liability on the part of the Carrier, except General Average, if any.

7. DESCRIPTION OF GOODS AND MERCHANT'S PACKING

(1) The Merchant shall be deemed to have guaranteed to the Carrier the accuracy, at the time the Goods were taken in charge by the Carrier, of the description of the Goods, marks, numbers, quantity, weight and/or volume as furnished by him, and the Merchant shall defend, indemnify and hold harmless the Carrier against all loss, damage and expenses arising or resulting from inaccuracies in or inadequacy of such particulars.

(2) Without prejudice to Clause 8 (A) (2) (d), the Merchant shall be liable for any loss, damage or injury caused by faulty or insufficient packing of Goods or by faulty loading or packing within containers and trailers and on flats when such loading or packing has been performed by the Merchant or on behalf of the Merchant by a person other than the Carrier, or by defect or unsuitability

of the containers, trailers or flats, when supplied by the Merchant, and shall defend, indemnify and hold harmless the Carrier against any additional expenses so caused.

(3) It is agreed that superficial rust, oxidation or any like condition due to moisture is not a condition of damage but is inherent to the nature of the Goods and acknowledgement of the receipt of the Goods in apparent good order and condition is not a representation that such conditions of rust, oxidation or the like did not exist on receipt.

(4)(a) The Merchant undertakes not to tender for transportation any Goods which require temperature control without previously giving written notice to the Carrier of their nature and particular temperature range to be maintained and in the case of a temperature controlled Container stuffed by or on behalf of the Merchant further undertakes that the Goods have been properly stuffed in the Container, that the Container has been properly prepared for the Goods, and its thermostatic controls have been properly set by the Merchant before receipt of the Container by the Carrier. If the said requirements are not complied with the Carrier shall not be liable for any loss of or damage to the Goods by such non-compliance.

(b) In addition to the foregoing, the Carrier shall not be liable for any loss of or damage to the Goods arising from latent defects, derangement, breakdown, stoppage of the temperature controlling machinery, plant insulation or any apparatus of the Containers.

8. EXTENT OF LIABILITY

A. (1) Liability, if any, of the Carrier for loss or damage to the Goods is limited to the time between when the Carrier takes the Goods into his charge and the time of delivery.

(2) The Carrier shall, however, be relieved of liability for any loss or damage to the Goods if such loss or damage arises or results from:

(a) An act or omission of the Merchant, or person other than the Carrier acting on behalf of the Merchant or from whom the Carrier took the Goods in charge;

(b) act, neglect, or default of the master, mariner, pilot or the servants of the Carrier in the navigation or in the management of the ship;

(p) insufficiency or inadequacy of marks;

(q) latent defects not discoverable by due diligence;

(s) any cause or event which the Carrier could not avoid and the consequences whereof he could not prevent by the exercise of reasonable diligence;

(t) any other cause arising without the actual fault and privity of the Carrier, or without the fault or neglect of the agents or servants of the Carrier.

(3) The burden of proving that the loss or damage was due to one or more of the above causes or events shall rest upon the Carrier. When the Carrier establishes that, in the circumstances of the case, the loss or damage could be attributed to one or more of the causes and events specified in (b) to (t) above, it shall be presumed that it was so caused. The claimant shall, however, be entitled to prove that the loss or damage was not, in fact, caused wholly or partly by one or more of these causes or events.

B. When in accordance with Clause 8 A.(1) the Carrier is liable to pay compensation in respect of loss or damage and the stage of transport where loss or damage occurred is known, the liability of the Carrier in respect of such loss or damage shall be -

(i) determined by the provisions contained in any International Convention or National Law, which provisions

(a) cannot be departed from by private contract, to the detriment of the claimant, and

(b) would have applied if the claimant had made a separate and direct contract with the Carrier in respect of the particular stage of transport where the loss or damage occurred and received as evidence thereof any particular document which must be issued in order to make such International Convention or National Law applicable.

(ii) with respect to the transportation in the United States of America or in Canada to the Port of Loading or from the Port of Discharge, the responsibility of the Carrier shall be to procure transportation by carriers (one or more) and such transportation shall be subject to the inland carriers' contracts of carriage and tariffs and any law compulsorily applicable.

9. CONTAINERS

(1) Goods may be stuffed by the Carrier in or on Containers and Goods may be stuffed with other Goods.

(2) The terms of this Bill of Lading shall govern the responsibility of the Carrier in connection with or arising out of the supply of a Container to the Merchant, whether supplied before or after the Goods are received by the Carrier or delivered to the Merchant.

(3) If a Container has been stuffed by or on behalf of the Merchant:

(A) the Carrier shall not be liable for loss or damage to the Goods;

(i) caused by the manner in which the Container has been stuffed;

(ii) caused by the unsuitability of the Goods for carriage in Containers;

(iii) caused by the unsuitability or defective condition of the Container provided that where the Container has been supplied by or on behalf of the Carrier, this paragraph (iii) shall only apply if the unsuitability or defective condition arose (a) without any want of due diligence on the part of the Carrier or (b) would have been apparent on reasonable inspection by the Merchant at or prior to the time when the Container was stuffed;

(iv) if the Container is not sealed at the commencement of the Carriage except where the Carrier has agreed to seal the Container.

(B) The Merchant shall defend, indemnify and hold harmless the Carrier against any loss, damage, claim, liability or expense whatsoever arising from one or more of the matters covered by (A) above except for (A) (iii) (a).

(4) Where the Carrier is instructed to provide a Container, in the absence of a written request to the contrary, the Carrier is not under an obligation to provide a Container of any particular type or quality.

10. PARAMOUNT CLAUSE

(1) This Bill of Lading insofar as it relates to sea carriage of the Goods by any vessel whether named herein or not shall have effect subject to the Hague Rules or any legislation making such Rules or the Hague-Visby Rules compulsorily applicable to this Bill of Lading and the provision of the Hague Rules or applicable legislation shall be deemed incorporated herein. The Hague Rules (or COGSA 1936 if this Bill of Lading is subject to U.S. law) shall apply to the carriage of Goods by inland waterways and reference to carriage by sea in such Rules or legislation shall be deemed to include reference to inland waterways. If and to extent that provisions of the Harter Act of the United States of America 1893 would otherwise be compulsorily applicable to regulate the Carrier's responsibility for the Goods during any period prior to loading on or after discharge from the vessel, the Carrier's responsibility shall instead be governed by the provisions of Clause 8, but if such provisions are found to be invalid such responsibility shall be subject to COGSA 1936.

(2) The Carrier shall be entitled (and nothing in this Bill of Lading shall operate to limit or deprive such entitlement) to the full benefit of, and rights to, all limitations of or exemptions from liability and all rights conferred or authorized by any applicable law, statute or regulation of any country including, but not limited to, where applicable any provisions of sections 4281 to 4287, inclusive, of the Revised Statutes of the United States of America and amendments thereto and where applicable any provisions of the laws of the United States of America.

11. LIMITATION AMOUNT

(1) When the Carrier is liable for compensation in respect of loss or damage to the Goods, such compensation shall be calculated by reference to the value of such Goods at the place and time they are delivered to the Consignee or should have been so delivered.

(2) The value of the Goods shall be fixed according to the current commodity exchange price, or, if there be no such price, according to the current market price, or, if there be no commodity exchange price or current market price, by reference to the normal value of Goods of the same kind and quality.

(3) Except where otherwise provided in this Bill of Lading, compensation shall not exceed 2 SDR's per kilo of the gross weight, or 666.67 SDR's per package or unit, of Goods lost or damaged, whichever shall be the greater. SDR's shall be calculated as at the date when settlement is agreed or judgment made. However, the Carrier shall not, in any case, be liable for an amount greater than the actual loss to the person entitled to the claim.

(4) Where the Hague Rules, Hague-Visby Rules or COGSA 1991 or COGSA 1936 or Hamburg Rules apply, the Carrier shall not, unless a declared value has been noted in accordance with paragraph 5 of this Clause, be or become liable for any loss or damage to or in connection with the Goods in an amount per package or shipping unit in excess of the package or shipping unit limitation as laid down by the applicable Rules or Act or any legislation making these Rules compulsorily applicable to this Bill of Lading. Such limitation amount, according to COGSA 1971/92 and COGSA 1991 and MLA 2001 is a sum of 2 SDR's per kilo of the gross weight, or 666.67 SDR's per package or shipping unit, of the Goods lost or damaged, whichever shall be the greater, and according to COGSA 1936 is US\$500 per package or shipping unit, of the goods lost or damaged and according to Hamburg Rules is a sum of 2.50 SDR's per kilo of the gross weight, or 835 SDR's per package or shipping unit, of the Goods lost or damaged, whichever shall be the greater. If no other limitation amount is applicable under the relevant compulsory legislation, the limitation shall be according to MLA 2001.

(5) The Carrier's liability, if any, may be increased to a higher value by the Shipper making a declaration, in writing, of the Goods valuation on delivery to the Carrier of the Goods for shipment, such valuation to be inserted on the front of this Bill of Lading, in the space provided, and extra freight paid if required by the Carrier. In such case, if the actual value of the Goods shall exceed such declared value, the value shall nevertheless be deemed to be the declared value and the Carrier's liability, if any, shall not exceed the declared value and any partial loss or damage shall be adjusted pro rata on the basis of such declared value.

(6) Where a Container is used to consolidate Goods and such Container is stuffed by the Carrier, the number of packages or shipping units stated on the face of this Bill of Lading in the box provided shall be deemed the number of packages or shipping units for the purpose of any limit of liability per package or shipping unit provided in any International Convention or national law relating to the carriage of goods by sea. Except as aforesaid the Container shall be considered the package, or shipping unit. The words 'shipping unit' shall mean each physical unit or piece of cargo not shipped in a package, including articles or things of any description whatsoever, except Goods shipped in bulk, and irrespective of the weight or measurement unit employed in calculating freight charges. As to Goods shipped in bulk, the limitation applicable thereto shall be the limitation provided in such convention or law which may be applicable and in no event shall anything herein be construed to be a waiver of limitation as to Goods shipped in bulk.

12. DELAY, CONSEQUENTIAL LOSS, ETC.

(1) Arrival times are not guaranteed by the Carrier, and the Carrier is not liable for any loss, damage or expenses caused by any delay in delivery of the Goods. Further, the Carrier is not liable for any loss of profit or consequential loss or damage howsoever caused, including if caused by reason of any delay in delivery of the Goods. If, despite the foregoing, the Carrier is held liable in respect of delay, consequential loss or damage, other than loss of or damage to the Goods, the liability of the Carrier shall be limited to two and a half times the freight payable for the goods delayed but not exceeding the total freight payable under the contract of carriage or the value of the Goods as determined in Clause 11 whichever is the lesser sum.

(2) If at any time the carriage is or is likely to be affected by any hindrance, risk, delay, difficulty or disadvantage of any kind (including the condition of the Goods), whensoever and wheresoever arising (whether or not the carriage has commenced) the Carrier may:

(a) without notice to the Merchant abandon the carriage of the Goods and where reasonably possible place the Goods or any part of them at the Merchant's disposal at any place which the Carrier may deem safe and convenient, whereupon the responsibility of the Carrier in respect of such Goods shall cease;

(b) without prejudice to the Carrier's rights subsequently to abandon the Carriage under (a) above, continue the carriage. In any event the Carrier shall be entitled to full charges on Goods received for carriage and the Merchant shall pay any additional costs resulting from the above-mentioned circumstances.

(3) The liability of the Carrier in respect of the Goods shall cease on the delivery or other disposition of the Goods in accordance with the orders or recommendations given by any Government or Authority or any person acting or purporting to act as or on behalf of such Government or Authority.

(3) Subject to Clause 5, the Carrier has the authority to subcontract on any terms whatsoever the whole or any part of the carriage of Goods.

16. DELIVERY

If delivery of the Goods or any part thereof is not taken by the Merchant, at the time and place when and where the Carrier is entitled to call upon the Merchant to take delivery thereon, the Carrier shall be entitled to store the Goods or any part thereof at the sole risk of the Merchant, where upon the liability of the Carrier in respect of the Goods or that part thereof stored as aforesaid (as the case may be) shall wholly cease and the cost of such storage (if paid by or payable by the Carrier or any agent of sub-contractor of the Carrier) shall forthwith upon demand be paid by the Merchant to the Carrier.
